## The Seal of Approval Lenders Trust

Being a Stewart Trusted Provider™ does more than solidify your reputation as a top tier agency, it gives lenders the peace of mind that they're working with an agency of quality and trustworthiness; it also helps you market your elite status.

When you join our elite network, you can be confident in our preparedness for the ever-changing regulatory environment you'll face and in our ability to meet your needs and satisfy the applicable regulations.

While the process of becoming a Trusted Provider includes rigorous vetting and compliance steps, it yields a host of opportunities for your agency.

**The verification steps include:**

- ☑ Passing an intensive initial due-diligence screening, including a third-party audit by Deloitte, LLP
- ☑ Undergoing strict ongoing monitoring, regular audits and regular visits from a Stewart Agency Services manager
- ☑ Complying with all federal, state and local rules and regulations
- ☑ Complying with all terms of the Stewart Underwriting Agreement and adhering to all Stewart underwriting bulletins

What's more, as a Trusted Provider you can also join the national ALTA registry, which provides an additional chance to position yourself as a reputable agency and allows lenders to know they are working with a trusted industry partner.

When you join the Stewart Agency Network as a Trusted Provider, the possibilities are endless.
