The charge for the Litigation Guarantee shall be 100% of the Basic Schedule of Charges.

G-5 <u>Public Trustee's Sale Guarantee</u>

The charge for the trustee's sale guarantee shall be 100% of the basic charges for a policy in an amount equivalent to the total amount of indebtedness remaining secured under the deed of trust.

G-6 Foreclosure Guarantee

The charge will be \$ 300 for amount of insurance up to \$100,000; for amount of insurance over \$100,000 up to and including \$1,500,000 add \$0.75 per \$1,000; and for amount of insurance over \$1,500,000 add \$0.50 per \$1,000.

In those areas where an automated name search of the Bankruptcy Court in and for the District of Colorado is not a part of the title searching process, an additional charge of \$50 shall apply.

NOTE 1: The Short Term Charges are not applicable to this section; and

NOTE 2: The cost of certified copies of recorded documents will be charged at the same charge that is charged to the Company by the clerk and recorder in the county in which the property is situated.

G-7 Guarantee Date Down

All areas: \$75 all Guarantees, per issuance.

G-8 Foreclosure Commitment

This section applies to a title commitment issued to facilitate a foreclosure of a deed of trust including a policy to be issuable, within a 24-month period after the commitment date, to the grantee of a Public Trustee' s Deed following the foreclosure, to a holder of a certificate of redemption, or to a grantee upon the consummation of a resale between the holder of a Public Trustee' s Deed and a bona fide third party purchaser within the 24-month hold open period. In the event of a bankruptcy petition, the 24-month hold open period shall be extended by the number of months the automatic stay is in effect precluding the foreclosing party from proceeding with foreclosure on the property identified in the commitment, pursuant to the deed of trust or other lien being foreclosed.

The charges for the foreclosure commitment are as follows:

Residential

The charge will be 110% of the applicable Basic Charge based on the unpaid balance of the deed of trust being foreclosed.

Residential Plus

This charge shall be applied when: the foreclosed deed of trust is a first deed of trust; the foreclosed deed of trust was previously insured under the terms of an ALTA loan policy; the foreclosing lender is HUD, Fannie Mae, Freddie Mac, VA or a financial institution as defined in CRS Section 38-38-100.3 (20).

The initial charge for any commitment issued prior to the filing of the Notice of Election and Demand with the Public Trustee shall be \$325.

There shall be an additional charge of \$150 after filing the Notice of Election and Demand with the Public Trustee up to the date of sale.

If the Public Trustee sale is conducted, the following additional charges shall be applied:

\$250 - applicable when unpaid balance of foreclosed deed of trust is less than or equal to \$275,000.

\$250 plus \$2.00 per thousand of additional unpaid balance - applicable when unpaid balance of foreclosed deed of trust is greater than \$275,000.

\$175 for amount less than or equal to \$275,000 plus \$2.00 per thousand for amounts in excess of \$275,000, for issuance of a policy to HUD, Fannie Mae, Freddie Mac, VA or a financial institution as defined in CRS Section 38-38-100.3 (20).

\$1,150 for amount less than or equal to \$275,000, plus \$2.00 per thousand for amounts in excess of \$275,000 (less amounts previously charged, per the schedule above) for issuance of a policy to an individual or entity who is not the foreclosing lender.

Commercial

125% of the Basic Charge based on the unpaid balance of the foreclosed deed of trust.

All commercial foreclosure commitments shall contain an additional schedule setting forth the findings of an U.C.C. search.

Note 1: The residential charge and commercial charge provide for the issuance of an Owner' s policy. Such policies may be issued to: the holder of the Public Trustee' s Deed; the holder of a redemption certificate; a bona fide third party purchaser who purchases the subject property from the holder of the Public Trustee' s Deed; or a bona fide third party purchaser who purchases the subject property from the holder of a redemption certificate subject to the applicable charges shown above.

Note 2: The residential charge, residential plus charge and commercial charge provide for the issuance of up to four date-down endorsements. The charge for additional date-down endorsements is \$75 per endorsement.

G-9 Modification Guarantee

The Modification Guarantee may be issued in connection with a modification of a mortgage by an institutional lender covering one-to-four residential real property only if the order, applicable legal description or address, and names of parties to the modification for issuance are placed and communications sent electronically through websites or other electronic communications to locations explicitly designated by the Company for placement or orders for the Modification Guarantee. The Modification Guarantee may be modified and extended by one or more continuations or date-downs. The charge for the Modification Guarantee shall be \$150. The charge for each continuation or date-down shall be \$50. The charge shall not include any charges for separate services, including abstracting or search services, or recording, that are provided to institutional lenders.

SECTION H

GENERAL RULES - ENDORSEMENTS

Endorsements providing additional coverages or insurance may be issued <u>upon compliance with</u> <u>Company's requirements</u> for the appropriate charge.

H-1 Charges

The charges noted in this section are minimum, all charges for inspections, additional searching and examination, processing, and additional risk incurred shall be at such charges as is determined by the policy issuing office or agent.

Endorsements that clarify or add definition to the existing coverage without incurring additional coverage, waiving defenses without incurring additional liability and similar types of endorsement shall be added at no additional charge.

In no event shall the charges shown supersede the amounts elsewhere herein for extended policies.

Special or corrective endorsements based upon filed endorsements may also be issued. Additional endorsements for special or unusual risk that are requested by the insured and acceptable to the Company may be issued and charged for a price agreed upon by the Company and the insured.

The following endorsements listed in Section H- 4 are utilized by the Company within the state with, where appropriate, a brief description of the endorsement. Many endorsements are utilized in identical form between the ALTA version, COLO version, STG version and CLTA version. All of these versions are set out since an insured may request the endorsement by either name.

Note – calculated endorsement charges that are not even dollar amounts shall be rounded up to the nearest whole dollar.

H-2 Deletion of Standard Printed Exceptions

Some or all standard printed exceptions

An endorsement, either by separate instrument or in the schedule of commitment or policy, deleting the standard printed exceptions as contained in Schedule B, other than mechanic's liens, may be issued <u>upon compliance with company's requirements:</u>

Owner's and Lender's Policies:

No charge and applicable survey if necessary

Mechanic's Lien Exception

An endorsement, either by separate instrument or in the schedule of the commitment or policy, deleting the standard printed mechanic's lien exception may be issued <u>upon compliance with</u> <u>Company's requirements</u> and will bear the following charges for the type of policy indicated:

TYPE OF POLICY	NO MATERIAL RISK	POST- CONSTRUCTION WITHIN STATUTORY LIEN PERIOD	DURING CONSTRUCTION
A. Owner's Policy:			
1) Vacant Land (unimproved)	No charge	No charge	No charge
2) Residential (1-4 units)	\$65	\$65	\$3 per thousand of policy amount if the Company's requirements are satisfied
 Multi-unit (1-4 units not included) 	\$65	\$3 per thousand	\$3 per thousand of policy amount if Company's requirements are satisfied.
4) Commercial/ Industrial (Improved)	\$65	\$3 per thousand	\$3 per thousand of policy amount if Company's requirements are satisfied.

TYPE OF POLICY	NO MATERIAL RISK	POST- CONSTRUCTION WITHIN STATUTORY LIEN PERIOD	DURING CONSTRUCTION
B. Lender's Policy:			
1) Vacant Land	No charge	No charge	No charge
2) Residential (1-4 units)	No charge	No charge*	\$1.50 per thousand of policy amount if the Company's requirements are satisfied
3) Multi-unit (1-4 units not included)	No charge	No charge*	\$1.50 per thousand of policy amount if the Company's requirements are satisfied
4) Commercial/ Industrial (Improved)	No charge	No charge*	\$1.50 per thousand of policy amount if the Company's requirements are satisfied

*If the loan is supervised and satisfies the Company's underwriting requirements, no charge, otherwise \$0.75 per thousand all others.

Notwithstanding any other provisions herein, the charges set forth in Section H-2 are in addition to any charges arising to other provisions of this Charge Manual.

H-3 Insuring Over Objections in Lender's Policy and Owner's Policy:

When the Company determines it may insure against loss by reason of encumbrances or defects (other than printed standard regional exceptions), affirmative insurance may be given by the issuance of specifically filed endorsements at the appropriate charge for each endorsement (See Section H-4).

Irrespective of the charges set forth under this Article H-3 for the issuance of Endorsement Form 101.1, the following practices will apply if the conditions set forth herein exist:

- (a) When a lender has acquired an interest in a construction project, either legal or equitable, in the workout or settlement of a defaulted or delinquent construction loan, the Company, <u>upon</u> <u>compliance with the Company's requirements</u>, will, upon application by the lender, issue endorsement 101.1 insuring over filed mechanic's liens or individual Owner's and Mortgagee's policies issued to purchasers of property in the project in furtherance of the settlement or workout of the construction loan for a minimum charge of \$65.00 for the first lien and \$15.00 for each additional lien filed.
- (b) When the Company has previously insured a lender against unfiled mechanic' s liens during the course of construction by appropriate endorsement and the Company now has acquired liability by virtue of mechanic' s liens now being filed, the Company will, upon application, issue endorsement 101.1 on Owner' s and Mortgagee' s policies issued to subsequent purchasers insuring over those mechanic' s liens for which the Company is, in fact, liable without any charge for such endorsement.
- (c) When the Company determines that it cannot delete the preprinted mechanic's lien exception but, subject to underwriting requirements and procedures, can give some form of limited coverage over mechanic's liens, such coverage may be given by either a 101 endorsement, by the ALTA 32-06, ALTA 32.1-06, ALTA 32.2-06 (sometimes deletion of the mechanic's lien exception is done as part of the underwriting for these endorsements), or by way of certain forms of pending disbursement clauses. These clauses and endorsements provide similar, but not exactly the same coverage as the 101 endorsement. Because of their similarity, these endorsements and pending disbursement clauses are to be issued at the charge for the CO 101 endorsement as set forth in H-4.

H-4 Filed Endorsement Charge:

The following endorsements listed in H-4 are utilized by the Company within the State of Colorado and include, where appropriate, a brief description of the endorsement. The endorsements include forms labeled for ALTA, CLTA, COLO or STG. Several of the endorsement forms under these various labels are identical or substantially similar to other forms with different labels. Because an insured may request an endorsement by either label and for ease of reference between such forms, the Company has chosen to list such similar forms by all of such labels. The left most column will list the particular endorsement designation with similar endorsements, if any, listed to the columns to its right. The charge for each of the similar endorsement will be the same but are cross referenced for ease of use.
