ARKANSAS TITLE INSURANCE SCHEDULE OF CHARGES

A. GENERAL PROVISIONS; DEFINITIONS

Thank you for using Stewart Title Guaranty Company (hereafter “Stewart” or “Underwriter”) for your title insurance needs. This manual of charges contains recommended charges related to title insurance for the State of Arkansas. The charges hereinafter set out are basic charges only and do not include charges for searches, abstracts, attorney’s fees, escrow or closing services, inspections or other services that may also be charged by agents, local attorneys, surveyors, abstractors, or abstract companies. The charges are recommended minimum charges, and additional charges shall be made when an unusual condition of the title exists or when special risks are insured. In the event such charges are made, agreement thereto must be obtained in advance from the person or entity obligated to pay all or any part of such charges.

To compute any policy or endorsement premium (“charge”) on a fractional thousand (except as to Minimum Charges), round up to the next higher whole thousand. For example, if the contract price or loan amount is \$33,259, round up to \$34,000. When computing premium for endorsements, also round up to the next higher whole thousand.

Underwriter reserves the right to decline any application or may, at any time on notification to the applicant, cancel any application accepted as long as a commitment for insurance has not been issued.

An ALTA Owner’s Policy insuring a leasehold estate shall not be issued for less than the aggregate of the rentals payable under the lease or the Full Value of the Land, whichever is less.

2. Calculating Reissue Credit for ALTA Owner’s Policies

A reissue credit of 40% shall apply where an Owner’s Policy was previously issued to the seller covering the same Real Property on which a new ALTA Owner’s Policy is to be issued. The reissue credit is calculated as follows:

- a. If the Amount of Insurance provided in Schedule A of the prior Owner’s Policy is equal to or greater than the Amount of Insurance in the new ALTA Owner’s Policy to be issued, the reissue credit will be 40% of the Basic Charge for an ALTA Owner’s Policy for the Amount of Insurance in the new ALTA Owner’s Policy .
- b. If the Amount of Insurance provided in Schedule A of the prior Owner’s Policy is less than the Amount of Insurance in the new ALTA Owner’s Policy to be issued, the reissue credit will be 40% of the Basic Charge for an ALTA Owner’s Policy for the Amount of Insurance in the prior Owner’s Policy .
- c. If the Amount of Insurance provided in Schedule A of the prior ALTA Homeowner’s Policy is equal to or greater than the Amount of Insurance in the new ALTA Owner’s Policy to be issued, the reissue credit will be 40% of the Basic Charge for an ALTA Owner’s Policy for the Amount of Insurance in the new ALTA Owner’s Policy.
- d. If the Amount of Insurance provided in Schedule A of the prior ALTA Homeowner’s Policy is less than the Amount of Insurance in the new ALTA Owner’s Policy to be issued, the reissue credit will be 40% of the Basic Charge for an ALTA Owner’s Policy for the Amount of Insurance in the prior ALTA Homeowner’s Policy.

The premium associated with an Owner's Policy to which reissue credit is applied is sometimes referred to as reissue rate. The reissue rate is the rate for the new Owner's Policy after reissue credit is applied.

The Minimum Charge is \$75. Underwriter is under no obligation to seek or make a determination of the existence of a previous policy. To qualify for reissue credit, a copy of the Owner's Policy, including jacket and schedules, insuring the current owner(s) must be produced and maintained in your file. The policy must also have been issued by or on behalf of an insurer engaged in the business of title insurance and licensed by the Arkansas Department of Insurance.

3. **Basic Schedule of Charges for ALTA Homeowner's Policy**

The ALTA Homeowner's Policy will be available only to purchasers of one-to-four family residential properties, and the charge is 120% of the Owner's Policy shown above.

4. **Calculating Reissue Credit for the ALTA Homeowner's Policies**

A reissue credit of 40% shall apply where an Owner's Policy was previously issued insuring the same Real Property on which a new ALTA Homeowner's Policy is being issued. The reissue credit is calculated as follows:

- a. If the Amount of Insurance provided in Schedule A of the prior Owner's Policy is equal to or greater than the Amount of Insurance in the new ALTA Homeowner's Policy to be issued, the reissue credit will be 40% of the Basic Charge for an ALTA Owner's Policy for the Amount of Insurance in the new ALTA Homeowner's Policy.
- b. If the Amount of Insurance provided in Schedule A of the prior Owner's Policy is less than the Amount of Insurance in the new ALTA Homeowner's Policy to be issued, the reissue credit will be 40% of the Basic Charge for an ALTA Owner's Policy for the Amount of Insurance in the prior Owner's Policy.
- c. If the Amount of Insurance provided in Schedule A of the prior ALTA Homeowner's Policy is equal to or greater than the Amount of Insurance in the new ALTA Homeowner's Policy to be issued, the reissue credit will be 40% of the Basic Charge for a ALTA Homeowner's Policy for the Amount of Insurance in the new ALTA Homeowner's Policy.
- d. If the Amount of Insurance provided in Schedule A of the prior ALTA Homeowner's Policy is less than the Amount of Insurance in the new ALTA Homeowner's Policy to be issued, the reissue credit will be 40% of the Basic Charge for an ALTA Homeowner's Policy for the Amount of Insurance in the prior ALTA Homeowner's Policy.

The Minimum Charge is \$90. Underwriter is under no obligation to seek or make a determination of the existence of a previous policy. To qualify for reissue credit, a copy of the Owner's Policy, including jacket and schedules, insuring the current owner(s) must be produced and maintained in your file. The policy must also have been issued by or on behalf of an insurer engaged in the business of title insurance and licensed by the Arkansas Department of Insurance.

5. **Owner's Policy Upon Acquisition in Satisfaction of Debt**

When the Insured under a Loan Policy acquires title by foreclosure or by deed in lieu of foreclosure, the Insured, or designee for the benefit of the Insured, may purchase an Owner's Policy at the following rates:

LIABILITY AMOUNT	CHARGE PER THOUSAND
Up to \$50,000 (regardless of the age of the policy)	\$2.00

Amounts over \$50,000 shall be based on the following fees:

AGE OF PREVIOUS MORTGAGE POLICY	CHARGE
2 years or less	25% of the original owner policy charge
2 years to 4 years	35% of the original owner policy charge
Over 4 years	50% of the original owner policy charge
Minimum	\$75.00 (fixed)

D. SCHEDULE OF CHARGES FOR LOAN POLICIES

1. Basic Schedule of Charges for ALTA Loan Policies

The charge for original loan policies shall be:

LIABILITY AMOUNT	PER THOUSAND
Up to \$20,000	\$75 (fixed)
Over \$20,000 up to and including \$50,000	\$2.80
Over \$50,000 up to and including \$100,000	\$2.25
Over \$100,000 up to and including \$500,000	\$2.00
Over \$500,000 up to and including \$10,000,000	\$1.75
Over \$10,000,000 up to and including \$15,000,000	\$1.40
Over \$15,000,000	\$1.15

2. Charge for Second Mortgage Loan Policies

The Charge for a Loan Policy insuring a second Mortgage is calculated from the Basic Schedule of Charges for Loan Policies.

3. Refinance Credit and Reissue Credit

a. Refinance Credit

A refinance credit of 30% shall apply where a prior Loan Policy has been issued on the same Real Property with the identical mortgagor(s) and the mortgage insured by the prior policy is being satisfied as part of the new transaction. This credit shall apply up to the amount of the prior Loan Policy.

If the Amount of Insurance for the new Loan Policy is in excess of the amount of the prior policy, the excess must be computed at the original charge from the appropriate bracket or brackets in the Basic Schedule of Charges for Loan Policies.

If the new Loan Policy is being issued in an amount that is less than the Loan Policy issued to the lender whose mortgage is being satisfied, the premium for the Loan Policy being issued to the new lender is reduced by 30% of the Basic Charge for the new Loan Policy.

Minimum Charge is \$75. Underwriter is under no obligation to seek or make a determination of the existence of a previous policy. To qualify for Refinance Credit, a copy of the Loan Policy, including jacket and schedules, insuring the current lender whose mortgage is being satisfied, must be produced and maintained in your file. The policy must also have been issued by or on

behalf of an insurer engaged in the business of title insurance and licensed by the Arkansas Department of Insurance.

b. Reissue Credit

Reissue credit of 30% shall apply where an Owner's Policy insuring the mortgagor(s) was previously issued insuring the land to be encumbered by the mortgage being insured. This credit shall apply up to the amount of the new Loan Policy or the amount of the Owner's Policy insuring the mortgagor(s), whichever is less, and is calculated using the Basic Charge for Loan Policies. For example, if an Owner's Policy was issued to the mortgagor(s) in the amount of \$100,000 and the new Loan Policy will be issued insuring the new mortgage in the amount of \$100,000, the reissue credit is 40% of the Loan Policy rate from the Basic Charge for Loan Policies.

If the Amount of Insurance for the new Loan Policy is in excess of the amount of the Owner's Policy insuring the mortgagor(s), the reissue credit is computed from Basic Charge for Loan Policies up to the Amount of Insurance in the Owner's Policy and the excess must be computed at the original Charge from the appropriate bracket or brackets in the Basic Charge for Loan Policies.

If the new Loan Policy and Owner's Policy insuring the mortgagor(s) are identical in amount, the Loan Policy being issued to the new lender would be entitled to full refinance credit at the Loan Policy rate.

If the new Loan Policy is being issued in an amount less than the amount of the Owner's Policy previously issued to the mortgagor(s), the premium for the Loan Policy being issued to the new lender is reduced by 30% of the premium associated with the new Loan Policy.

The premium associated with a Loan Policy to which reissue credit is applied is sometimes referred to as reissue rate. The reissue rate is the rate for the new Loan Policy being issued after the 30% credit is given for the Loan Policy previously issued to the current lender whose mortgage is being satisfied.

Minimum Charge is \$75. Underwriter is under no obligation to seek or make a determination of the existence of a previous policy. To qualify for Reissue Credit, a copy of the Owner's Policy, including jacket and schedules, insuring the mortgagor(s) must be produced and maintained in your file. The policy must also have been issued by or on behalf of an insurer engaged in the business of title insurance and licensed by the Arkansas Department of Insurance.

4. Construction Financing

Since a commitment to insure requires (as a precedent to policy issuance) evidence that no liens exist of a construction nature, a title policy should be issued as of the time the construction security instrument is filed for record. The policy will contain an appropriate note limiting coverage to amounts actually advanced pursuant to requirement to Underwriter. This "note" is commonly referred to as "the pending disbursements clause."

Any variance from this procedure should be approved in advance by Underwriter. The Charge for this policy shall be at the Basic Schedule of Charges for Loan Policies unless refinance Charges are applicable.

At such time as the interim or temporary construction financing is converted to long-term permanent financing, and title insurance coverage is requested, the policy insuring the permanent financing will be issued at the Basic Schedule of Charges for Loan Policies, and subject to a refinance credit.

A Loan Policy insuring a construction loan is subject to the same reissue rate rules discussed in Section D3.

5. Modification of Mortgage Loan

When the indebtedness secured by a Mortgage on Real Property, the title to which has previously been insured by Stewart, is modified by a modification agreement and the insured requests an endorsement in the ALTA 11 series of endorsements, the endorsement may be issued upon proper date down of the title to the Real Property through the date of the recording of the modification agreement at the following Charges:

LIABILITY AMOUNT	CHARGE PER THOUSAND
Unpaid principal balance	\$0.25
Minimum	\$300.00 (fixed)

If the Amount of Insurance desired is in excess of the unpaid principal balance of the original loan, the Charge for the amount in excess of the unpaid principal balance shall be computed from the appropriate bracket or brackets for Loan Policies.

6. Reverse Mortgage Policies

The Charge for a Loan Policy insuring a reverse Mortgage shall be as follows:

LIABILITY AMOUNT	PER THOUSAND
Up to \$20,000	\$75 (fixed)
Over \$20,000 up to and including \$50,000	\$4.00
Over \$50,000 up to and including \$100,000	\$3.40
Over \$100,000 up to and including \$500,000	\$2.25
Over \$500,000 up to and including \$10,000,000	\$2.00
Over \$10,000,000 up to and including \$15,000,000	\$1.75
Over \$15,000,000	\$1.40

A Loan Policy insuring the priority and enforceability of a reverse Mortgage shall not be issued for an amount less than the Full Principal Debt.

A reissue credit of 30% shall apply where a prior Owner's Policy was previously issued to the reverse-Mortgage mortgagor(s). This credit shall apply up to the amount of the prior Owner's Policy. If the Amount of Insurance for the new Loan Policy insuring the reverse Mortgage is in excess of the amount of the prior Owner's Policy, the excess must be computed at the original Charge from the appropriate bracket or brackets. Underwriter is under no obligation to seek or make a determination of the existence of a previous policy.

To qualify for reissue credit, a copy of the Owner's Policy, including jacket and schedules, insuring the mortgagor(s) must be produced and maintained in your file. The policy must also have been issued by or

on behalf of an insurer engaged in the business of title insurance and licensed by the Arkansas Department of Insurance.

7. **Basic Schedule of Charges for ALTA Expanded Coverage Residential Loan Policies and ALTA Short Form Expanded Coverage Residential Loan Policies**

The ALTA Expanded Coverage Residential Loan Policy and ALTA Short Form Expanded Coverage Residential Loan Policy will be available only to lenders on transactions involving one-to-four family residential properties, and the charge is 120% of the Loan Policy shown above.

a. **Refinance Credit for the ALTA Expanded Coverage Residential Loan Policies and ALTA Short Form Expanded Coverage Residential Loan Policies**

A refinance credit of 30% shall apply where a prior loan policy has been issued on the same Real Property with the identical mortgagor(s) and the mortgage insured by the prior policy is being satisfied as part of the new transaction. This credit shall apply up to the amount of the prior Loan Policy and is calculated based on the type of Loan Policy previously issued. For instance, if either of the ALTA Expanded Coverage Loan Policies is being issued in an amount equal to or greater than the prior Loan Policy, and the prior Loan Policy was an ALTA Loan Policy, the refinance credit is 40% of the Basic Charge for the ALTA Loan Policy. Alternatively, if either of the ALTA Expanded Coverage Loan Policies is being issued in an amount equal to or greater than the prior Loan Policy, and the prior Loan Policy was one of the ALTA Expanded Coverage Loan Policies, the refinance credit is 30% of the Basic Charge for the ALTA Expanded Coverage Residential Loan Policies and ALTA Short Form Expanded Coverage Residential Loan Policies.

If the Amount of Insurance for the new Loan Policy is in excess of the amount of the prior policy, the excess must be computed at the Basic Charge for the policy being issued from the appropriate bracket or brackets.

Minimum Charge is \$90. Underwriter is under no obligation to seek or make a determination of the existence of a previous policy. To qualify for Refinance Credit, a copy of the Loan Policy, including jacket and schedules, insuring the current lender whose mortgage is being satisfied, must be produced and maintained in your file. The policy must also have been issued by or on behalf of an insurer engaged in the business of title insurance and licensed by the Arkansas Department of Insurance.

b. **Reissue Credit**

Reissue credit of 30% shall apply where a prior Owner's Policy insuring the mortgagor(s) was previously issued insuring the land to be encumbered by the mortgage being insured. This credit shall apply up to the amount of the new ALTA Expanded Coverage Residential Loan Policy, ALTA Short Form Expanded Coverage Residential Loan Policy or the amount of the Owner's Policy insuring the mortgagor(s), whichever is less, and is calculated using the Basic Charge for ALTA Expanded Coverage Residential Loan Policies and ALTA Short Form Expanded Coverage Residential Loan Policies. For example, if an Owner's Policy was issued to the mortgagor(s) in the amount of \$100,000 and an ALTA Expanded Coverage Residential Loan Policy or ALTA Short Form Expanded Coverage Residential Loan Policy will be issued insuring the mortgage refinancing debt secured by a mortgage on the same Real Property in the amount of \$100,000, the reissue credit is 30% of the Basic Charge for ALTA Expanded Coverage Residential Loan Policies and ALTA Short Form Expanded Coverage Residential Loan Policies for \$100,000 of liability.

If the Amount of Insurance for the new Loan Policy is in excess of the amount of the Owner's Policy insuring the mortgagor(s), the reissue credit is computed on the Loan Policy rate up to the Amount of Insurance in the Owner's Policy and the excess must be computed at the Basic Charge from the appropriate bracket or brackets.

If the new ALTA Expanded Coverage Residential Loan Policy or ALTA Short Form Expanded Coverage Residential Loan Policy is being issued in an amount less than the amount of the Owner's Policy previously issued to the mortgagor(s), the premium for the Loan Policy being issued to the new lender is reduced by 30% of the premium associated with the new Loan Policy.

The premium associated with a Loan Policy to which reissue credit is applied is sometimes referred to as *reissue rate*. The *reissue rate* is the rate for the new Loan Policy being issued after the 30% credit is given for the Loan Policy previously issued to the current lender whose mortgage is being satisfied.

Minimum Charge is \$90. Underwriter is under no obligation to seek or make a determination of the existence of a previous policy. To qualify for Reissue Credit, a copy of the Owner's Policy, including jacket and schedules, insuring the mortgagor(s) must be produced and maintained in your file. The policy must also have been issued by or on behalf of an insurer engaged in the business of title insurance and licensed by the Arkansas Department of Insurance.

8. ALTA Residential Limited Coverage Mortgage Modification Policy

The ALTA Residential Limited Coverage Mortgage Policy may be issued in connection with a modification of a Mortgage by an institutional lender covering one-to-four residential Real Property or condominiums. The Charge for the ALTA Residential Limited Coverage Loan Policy shall be as follows:

Over \$1,000,000 up to and including \$1,500,000	\$250.00

F. CLOSING PROTECTION LETTERS

A Closing Protection Letter ("CPL") is available as an option to the parties of the transaction. The election for a closing protection letter must be made prior to or at the time of closing. The protection is available to the lender, purchaser or lessee, and/or seller, as applicable to the transaction.

A fee of \$25 per letter shall be charged to each party receiving the benefit of the CPL. The entire amount of the CPL fee or charge shall be payable in full to the Underwriter at closing for the additional risk it assumes when providing a CPL and shall not be subject to any commissions or splits. In the event of a second mortgage or HELOC by a lender other than the primary lender, an additional fee of \$25 per letter shall be charged for and payable to Underwriter.
