GEORGIA TITLE INSURANCE SCHEDULE OF CHARGES

A. INTRODUCTION

Thank you for using Stewart Title Guaranty Company (“Stewart” or “Underwriter”) for your title insurance needs. The information contained in this manual is provided for the use and guidance of our agents, approved attorneys and customers. In utilizing the information provided herein, please make note of the following:

- The rates quoted in this manual are for the total title insurance charges, , and do not include charges for other services provided by attorneys, lenders, surveyors, abstractors or other vendors of real estate services.
 - When the amount of the policy to be issued exceeds the maximum liability amounts permitted by the agent's contractual agreement, the agent must submit STG Request for Approval to Issue Overlimits (Large) Policy or Extra Hazardous Coverage [Revised 01-07-22] or latest approval form along with a copy of the title commitment to PolicyApprovalRequest@stewart.com. When remitting the policy, please ensure that the approval is attached to the policy.
 - For the purpose of this manual, the term "Mortgage" includes deeds to secure debt and refers to any instrument that secures a loan with real estate.
 - Any simultaneous issue discount included in this manual is limited to policies bearing effective dates within thirty (30) days of each other unless Underwriter approval is obtained.
1. For your convenience, we have computed rates for coverage in \$1,000 increments. Any policy involving a fractional dollar of insurance should be rounded up to the nearest \$1,000 for pricing calculations. Additionally, all rates contemplated by this schedule should be rounded up to the next dollar after all other calculations have been determined.
 - If at any time you have questions or need further assistance, please do not hesitate to contact us.

B. MISCELLANEOUS

1. COMMITMENT TO INSURE

A commitment to insure is a report showing the status of the title and the exceptions, if any, which will apply in the policy to be issued. It is a binding obligation of Stewart to issue a policy in accordance with the terms and conditions of the commitment when the requirements of Underwriter have been met.

2. CLOSING PROTECTION LETTERS

A Closing Protection Letter (“CPL”) is available as an option to the parties of a real estate transaction. The CPL may be issued only for real estate transactions where (1) a title insurance policy or title insurance policies will be issued by or on behalf of Underwriter, and (2) where the issuing agent or agency is also responsible for the disbursement of settlement funds. This protection is apart and separate from the coverage provided under the title insurance policy. The election for a CPL must be made prior to or at the time of closing. The protection is available to the purchase, lender and seller if it involves a sale/purchase transaction, or the borrower/lender in a refinance transaction. A fee shall be charged to each party receiving the benefit of the CPL. The fee to be charged shall be \$50 per letter issued. The entire amount of the CPL fee, rate or charge shall be remitted to Underwriter at closing for the additional risk it assumes when providing a CPL. In the event of a second mortgage or HELOC by a lender other than the primary lender, an additional fee of \$50 shall be charged for and would be payable.

C. RESIDENTIAL

1. OWNER'S TITLE INSURANCE ORIGINAL ISSUE

An owner's policy insuring a fee simple estate cannot be issued for less than (a) the amount of the current sales price of the land and any existing improvements or (b) if no sale is being made, the amount equal to the value of the land and any existing improvements at the time of the issuance of the policy. An owner's policy insuring a fee estate cannot be issued for less than the full value of the premises. The amount shall not be less than the sale price.

The charge for the original owner's title insurance is as follows:

Liability Amount	Per Thousand
\$0 to \$100,000.....	\$5.65
Over \$100,000 to \$500,000, add	\$4.95
Over \$500,000, add	\$4.05
Minimum charge.....	\$200.00

2. AMERICAN LAND TITLE ASSOCIATION ENHANCED OWNER'S POLICIES

Owner's policies offering the consumer enhanced coverage are available for an additional charge. This policy shall only be issued for one to four family residential dwellings and condominiums and the construction of the principal improvements have been completed.

The charge for the original enhanced owner's title insurance is as follows:

Liability Amount	Per Thousand
\$0 to \$100,000.....	\$6.80
Over \$100,000 to \$500,000, add	\$5.65
Over \$500,000, add	\$4.60
Minimum charge.....	\$200.00

3. LOAN POLICIES

A Loan Policy, Short Form Loan Policy, or Leasehold Loan Policy (referred to collectively as Loan Policies) insuring a first mortgage cannot be issued for an amount less than the full principal debt. However, upon request, the policy may be issued for an amount up to one hundred twenty percent (120%) of the principal debt for fixed rate mortgages and up to one hundred fifty percent (150%) of the principal debt for adjustable rate mortgages to cover items such as interest or foreclosure costs.

When the mortgage described in the policy has been paid or satisfied, the coverage under that loan policy terminates, except when the satisfaction is through foreclosure or other lawful means of acquiring title in satisfaction of the mortgage debt.

Reasonable additions to cover interest and anticipated charges may be insured as agreed upon by Underwriter.

A new mortgage given to renew or refinance a mortgage debt is a new transaction, creating a new liability. If a loan policy is to be issued in connection with such a transaction, the charge should be calculated as if it were an original issue loan policy at the applicable original rate.

The charge for original loan policies is as follows:

Liability Amount	Per Thousand
\$0 to \$100,000.....	\$4.00
Over \$100,000 to \$500,000, add	\$3.30
Over \$500,000,add.....	\$2.95
Minimum charge.....	\$200.00

4. EXPANDED SHORT FORM AND LONG FORM RESIDENTIAL POLICIES

The charge for the expanded coverage residential loan policy and the short form expanded coverage residential loan policy is as follows:

Liability Amount	Per Thousand
\$0 to \$100,000.....	\$4.85
Over \$100,000 to \$500,000, add	\$4.00
Over \$500,000, add	\$3.70
Minimum charge.....	\$200.00

5. SECOND MORTGAGE POLICIES

A loan policy insuring a second mortgage cannot be issued for an amount less than the full principal debt. The charge for second mortgage policies insuring a second mortgage shall be calculated at the same rates as a new first mortgage as set forth in paragraph 3 above.

6. SIMULTANEOUS ISSUANCE OF OWNER’S AND LOAN POLICIES

When an owner’s and loan policy are issued simultaneously in connection with a single transaction and covering identical land, the charge for the owner’s policy shall be at the published rate for the owner’s policy and the charge for the loan policy shall be \$200.00 for the amount of the loan coverage not in excess of the owner’s policy coverage. Any amount of insurance for the loan policy that exceeds the owner’s policy amount shall be calculated at the applicable basic or expanded coverage loan policy rates for such excess amount.

When an owner’s policy is issued simultaneously with a first loan policy and second loan policy, the charge for the first mortgage loan policy is \$200 provided the owner’s policy amount is equal to or greater than first mortgage loan amount. The premium for the second mortgage loan policy will be calculated at the applicable basic or expanded coverage loan policy rates.

All policies must bear the same effective date and the owner’s policy must show the mortgage or lease as an exception. This rate procedure does not apply to simultaneously issued first and second mortgage transactions where no owner’s policy is issued.

7. CONSTRUCTION LOAN POLICIES

WE NO LONGER ALLOW THE COMMITMENT TO COVER THE PROJECT DURING THE CONSTRUCTION STAGE. A policy **must** be issued on all construction loans.

To assist our agents in obtaining the permanent loan policy, we allow the construction loan policy to be issued for a reduced rate.

The charge for construction loan policies is \$1.30 per \$1,000 of coverage, with a minimum charge of \$200.00. This reduced construction loan rate is only available if the entire portion of the loan is for construction. This rate is not available if any of the loan proceeds are used to purchase the property.

If a subsequent permanent loan policy is issued on the same property insuring the same lender, a full credit will be allowed for the entire charge of the construction loan amount, but there shall be a minimum charge of \$200.00 for the new policy. If a different lender holds the permanent loan, then no credit shall be given. If the permanent loan policy is to be used for construction also, the pricing for loan policy stated above shall be charged.

If the construction loan policy is issued simultaneously with an owner's policy of equal or greater value, the original charge for owner's pricing is charged on the owner's policy and the simultaneous fee of \$200.00 is charged for the construction loan policy. If the construction loan policy is issued simultaneously with an owner's policy of lesser value, the original charge for owner's policy pricing is charged on the owner's policy amount and the construction loan charge of \$1.30 per \$1,000 of coverage is charged for the construction loan policy.

If the permanent loan policy is to be used for construction also, the original loan policy charges shall apply.

8. LEASEHOLD POLICIES

An owner's policy that insures a leasehold estate shall be issued for the value of the leasehold estate, which shall be either the aggregate of the rentals payable under the lease or the full value of the premises, whichever is less. The ALTA 13 Endorsement is used to convert a standard owner's policy to a leasehold owner's policy. The charge for a Leasehold Owner's Policy shall be one hundred percent (100%) of the charge for Owner's Policy Original issue (see page 3).

A leasehold loan policy insuring a first mortgage cannot be issued for an amount less than the full principal debt. The ALTA 13.1 Endorsement is used to convert a standard loan policy to a leasehold loan policy. The charge for a Leasehold Loan Policy shall be one hundred percent (100%) of the basic charge for First Loan Policy Original Issue (see page 4).

9. EXTENSION, DATE DOWN OR MODIFICATION OF AN EXISTING LOAN

The charge for an endorsement to an existing policy issued in conjunction with an extension or modification agreement that does not increase the unpaid principal balance, shall be calculated on the basis of the unpaid principal balance as follows: fifty percent (50%) of the premium based upon the current basic or expanded schedule of charges for policies modified up to five (5) years of the policy date; and sixty percent (60%) of the premium based upon the current, applicable basic or expanded schedule of charges for policies modified more than five (5) years and up to ten (10) years of the policy date.

The endorsement charge for any increase in the amount of insurance from an additional advance under any modification or extension agreement is calculated at the applicable basic or expanded schedule of charges. This charge for the increase in the amount of insurance is added to the charge based on the unpaid principal balance calculated as set forth above..

Notwithstanding the above, the minimum charge for a date down or modification endorsement is \$250.00.

Please contact an Underwriter for pricing on endorsements issued in conjunction with a construction loan disbursement during a construction project.

10. INCREASE OF OWNER'S POLICY AMOUNT OF INSURANCE

The charge for an endorsement increasing the amount of insurance of an owner's policy is the difference between the charge for the new policy amount and the charge for the original policy amount both calculated at the current basic schedule of charges. This pricing does not include bringing the date of the policy forward.

The credit allowed in this paragraph may not be combined with any other discount.

11. BUILDER CONSTRUCTION LOAN CREDIT LINES AND ADDITIONAL PROPERTY

For the purpose of determining the charge for an endorsement adding lots to an existing builder construction credit line loan policy, the additional charge shall be based on the value of each new parcel of real property added to the policy's coverage after its original issuance at the current basic schedule of charges for policies. Lots may be added to the original loan for no charge until the value of the property added equals the original amount of insurance. For example, if a \$1,000,000 construction loan initially secures ten lots worth \$30,000 each, for a total of \$300,000, the insured has \$700,000 remaining as a "credit" on the line. That "credit" amount is reduced by the cost of each new lot plus the cost of construction of improvements on the new lot. Upon reaching the \$1,000,000.00 balance, a charge will be made for any endorsement adding a new lot to the mortgage. That charge is based on the value of the new lot plus the cost of construction of improvements at the current basic schedule of charges for policies.

The credit allowed in this paragraph may not be combined with any other discount.

12. ALTA RESIDENTIAL LIMITED COVERAGE JUNIOR LOAN POLICY SHORT FORM VERSION

The charge for this policy is \$2.00 per thousand of liability; minimum charge of \$100.00.

13. ALTA LIMITED PRE-FORECLOSURE POLICY

The charge for the limited pre-foreclosure policy shall be calculated at the basic schedule of charges for loan policies with a minimum charge of \$200.

14. ENDORSEMENTS

Endorsements providing additional coverage may be issued. Pricing for these endorsements will be determined by Underwriter. Please contact our local office for this information. If endorsements are issued in which there is a charge, you must remit the charges based on the split detailed in your contract.

15. CHARGES TO THE CONSUMER

In accordance with instructions from the Georgia Insurance Commissioner, these charges have been published and are those that must be charged to the consumer.

16. AGENCY REPORTING OF POLICIES AND RELATED CHARGES

In accordance with instructions from the Georgia Insurance Commissioner, issuing agents must remit their contractual percentage split based upon the total title charge paid by the consumer. Penalties may be imposed by the Georgia Department of Insurance for inaccurate reporting of customer charges for title insurance.

D. COMMERCIAL

"Commercial policies" for the purposes of insurance rates only includes bulk purchase or refinance of multiple residential dwellings, multi-family structures intended for the use of 5+ families, undeveloped lots, or real estate intended principally for business, commercial, industrial, religious, educational or agricultural purposes even if some portion of the real estate is used for residential purposes. "Residential policies" for the purposes of insurance rates only mean title insurance policies that insure the title to real property having a single house, individual condominium unit, mobile home permanently affixed to real estate, or other dwelling unit intended primarily for the occupancy of from one to four (1-4) families or a single residential lot upon which the purchaser intends to build a one to four family dwelling.

These are published rates that you are required to charge and on which your remittances must be made in accordance with O.C.G.A. § 33-6-5(B)(i).

1. OWNER'S AND LOAN POLICIES

Pricing for owner's and loan policies for commercial property is calculated as follows:

Liability Amount	Per Thousand
\$0 to \$5,000,000.00,.....	\$2.10
Over \$5,000,000 to \$10,000,000, add.....	\$1.25
Over \$10,000,000 to \$20,000,000, add	\$0.75
Over \$20,000,000 to \$30,000,000, add	\$0.60
Minimum Charge	\$600.00

Above \$30,000,000 please contact our local office for pricing.

2. OWNER'S POLICY REISSUE CREDITS

In certain instances, reissue credits may apply to commercial transactions if the real property to be insured is identical or a part of property insured under a prior policy issued less than ten (10) years prior to the date the current transaction closes. The prior policy must be provided to Underwriter for review and approval prior to applying any reissue credit.

3. LOAN POLICY REFINANCE CREDITS

In certain instances, refinance credits may apply to commercial transactions if the real property to be insured is identical or a part of property insured under a prior policy issued less than ten (10) years prior to the date the current transaction closes. The prior policy must be provided to Underwriter for review and approval prior to applying any refinance credit.

4. SIMULTANEOUS ISSUE OF OWNER'S AND LEASEHOLD OWNER'S POLICIES

When an owner's policy and leasehold owner's policy (each covering identical land) are issued in the same transaction to different insureds, the premium rate for the policy with the higher liability amount shall be computed at the published rates and the premium for the policy with the lesser liability amount shall be computed at thirty percent (30%) of the published rates with a minimum charge of \$200.00 per policy.

5. SIMULTANEOUS ISSUANCE OF OWNER'S AND LOAN POLICIES

When an owner's policy and loan policy covering identical property are issued simultaneously, the charge shall be at the commercial schedule of rates for the policy with the highest liability amount. The charge for the other policy, when issued simultaneously, shall be \$200.00. All policies must bear the same effective date and the owner's policy must show the mortgage or lease as an exception. The owner's policy should be issued for the purchase price of the property. This rate procedure does not apply to multiple loan policies issued simultaneously wherein no Owner's policy is issued.

6. SIMULTANEOUS ISSUANCE OF LOAN POLICY WITH MULTIPLE OWNER'S POLICIES

Where two or more owner's policy are issued simultaneously with a loan policy for the aggregate liability covering identical land, the charge will be computed as provided in the Commercial Simultaneous Issue of Owner's and Loan Policy section but based upon the aggregate amount of the multiple owner's policies. The owner's policies, when added together, should total the purchase price of the property.

7. SIMULTANEOUS ISSUANCE OF OWNER'S POLICY WITH MULTIPLE LOAN POLICIES

Where two or more loan policies are issued simultaneously with an owner's policy for the aggregate liability covering identical land, the charge will be computed as provided in the Commercial Simultaneous Issue of Owner's and Loan Policy section but based upon the aggregate amount of the multiple loan policies. If the owner's policy amount exceeds the aggregate of the loan policy amounts, a \$200 simultaneous issue fee will apply to each loan policy. If the aggregated loan policy liabilities exceed the owner's policy liability, a \$200 simultaneous issue fee will apply to the owner's policy.

SIMULTANEOUS ISSUE OF MULTIPLE LOAN POLICIES ABSENT ISSUANCE OF OWNER'S POLICY

Please contact an underwriter for pricing.

8. EXTENSION, DATE DOWN OR MODIFICATION OF AN EXISTING LOAN

The charge for an endorsement to an existing policy issued in conjunction with an extension or modification agreement, that does not increase the unpaid principal balance, shall be calculated on the basis of the unpaid principal balance as follows: fifty percent (50%) of the premium based upon the current commercial schedule of charges modified up to five (5) years of the policy date; and sixty percent (60%) of the premium based upon the current, commercial schedule of charges modified more than five (5) years and up to ten (10) years of the policy date.

The endorsement charge for any increase in the amount of insurance from an additional advance under any modification or extension agreement is calculated at the current commercial schedule of charges. This charge for the increase in the amount of insurance is added to the charge based on the unpaid principal balance calculated as set forth above.

Please contact an Underwriter for pricing on transactions involving endorsements issued in conjunction with a construction loan disbursement during a construction project.

9. CONSTRUCTION LOAN POLICIES

Published commercial loan policy rates apply to construction loans for commercial property.

10. BUILDER CONSTRUCTION LOAN CREDIT LINES AND ADDITIONAL PROPERTY

For the purposes of determining the charge for an endorsement adding lots to an existing builder construction credit line loan policy, the additional charge shall be based on the value of each new parcel of real property added to the policy's coverage after its original issuance at the current basic schedule of charges for policies. Original Schedule of Charges. Lots may be added to the original loan for no charge until the value of the property added equals the original amount of insurance. For example, if a \$1,000,000 construction loan initially secures ten lots worth \$30,000 each, for a total of \$300,000, the insured has \$700,000 remaining as a "credit" on the line. That "credit" amount is reduced by the cost of each new lot plus the cost of construction of improvements on the new lot. Thereafter, upon reaching the \$1,000,000.00 balance, a charge will be made for any endorsement adding a new lot to the mortgage. That charge is based on the value of the new lot plus the cost of construction of improvements at the current basic schedule of charges for policies. Original Schedule of Charges.

The credit allowed in this paragraph may not be combined with any other discount.

11. ENDORSEMENTS

Certain endorsements to make minor changes in the policy (i.e. clarify or add definition to existing coverage) will be issued at no additional charge.

Endorsements to furnish special coverage (zoning, usury, etc.) may be issued on commercial and residential transactions. Pricing for such coverage will be determined by Underwriter commensurate with the risk to be assumed by the issuance of such endorsement. Please contact Underwriter for pricing on special endorsements.

Whenever the same form of endorsement with similar coverage is issued on both the owner's and lender's policy in a single transaction, the policy issuing agent or approved attorney may make a single charge for such endorsements.

The policy issuing agent or approved attorney should consult underwriting guidelines and requirements on Virtual Underwriter (www.vuwriter.com) or by calling the local Stewart office.

12. CHARGES TO THE CONSUMER

In accordance with instructions from the Georgia Insurance Commissioner, these charges have been published and are those that must be charged to the consumer.

13. AGENCY REPORTING OF POLICIES AND RELATED CHARGES

In accordance with instructions from the Georgia Insurance Commissioner, issuing agents must remit their contractual split based upon the total title charges paid by the consumer. Penalties may be imposed by the Georgia Department of Insurance for inaccurate reporting of title charges. Additionally, Stewart must pay premium tax on the portion retained by the agent, as well as the premium we actually receive (see O.C.G.A. 33-8-4 and O.C.G.A. 33-8-8-2).

Policies and remittances are to be sent to Stewart on a monthly basis. On each policy, please indicate the premium charged to the consumer.
