KENTUCKY TITLE INSURANCE Manual of Charges

A. GENERAL PROVISIONS

This manual of charges contains charges for title insurance by Stewart Title Guaranty Company ("Stewart" or "Underwriter") for the Commonwealth of Kentucky. The charges hereinafter set out are basic charges for title insurance only and do not include charges for searches, examinations, abstracts, attorneys' fees, escrow or closing services, inspections or other services charged by local attorneys, title agents, surveyors, abstractors, or abstract companies. The charges are recommended minimum charges, and additional charges shall be made when an unusual condition of title exists or when special risks are insured. In the event such charges are made, agreement thereto must be obtained in advance from the person or entity obligated to pay all or any part of such charges.

When a rate for a policy or guarantee is not an even dollar amount, the rate shall be rounded up to the nearest dollar. A rate that is a percentage of the Basic Schedule of Charges shall be calculated from the unrounded rate amount with rounding done after all other calculations have been determined.

Underwriter reserves the right to decline any application or may at any time on notification to the applicant, cancel any application accepted as long as a binder for insurance has not been issued.

DEFINITIONS

Charge. The charge is that cost per unit of insurance which, when multiplied by the total units of liability, results in the charge to the customer for the risk assumed. The charge does not include the abstracting or searching fee, examination fee, settlement fees, closing fees, or escrow fees.

Full Principal Debt. The full principal debt is that part of the mortgage debt that is secured by land, excluding therefrom that part of the debt, if any, secured by personal property.

Full Value of Land. The full value of land is the actual purchase price or, if no sale is involved, the full reasonable value as may be agreed upon between the insurer and the proposed insured. On leasehold estates, the full value of the land is the aggregate of the rentals payable under the primary term of the lease or the full value of the land as herein defined, whichever is less.

Identical Land. The identical land is the land or any part thereof described in a policy of title insurance or other indemnity.

Insured. The insured is the person named as the insured in the policy of title insurance or other indemnity.

Land, Premises, or Property. Unless otherwise set forth in the policy of title insurance or other indemnity, land, premises, or property is the land described, specifically or by reference, and improvements affixed thereto which by law constitute real property.

Mortgage. A mortgage is a transfer of an interest in land, other than in trust, to secure performance of the obligation to pay back the indebtedness. The form of the mortgage may be a mortgage or other security instrument relating, at least in part, to land.

Simultaneous Issue. Simultaneous issue is the issuance of two or more policies on identical land out of the same transaction. The effective dates of the policies do not have to be the same in order to qualify

for a simultaneous issue; however, if the effective dates are not the same, these policies must have been able to have been issued the same date and a commitment to insure each interest insured must have been issued at the time of the consummation of the transaction.

B. SCHEDULE OF CHARGES FOR POLICIES

1. **Interim Title Insurance Binder/Commitment to Insure**

An interim title insurance binder is issued to show the liens, defects, and objections to the title to be paid or removed before a policy can be issued and the exceptions, if any, which shall appear in the policy when issued. It is also a binding obligation of Stewart to issue its policy when the requirements of the binder have been complied with.

A commitment shall be effective for six (6) months. Underwriter may issue a written endorsement extending the effective period of the commitment provided that:

- a) A request for extension is received prior to expiration of the commitment.
- b) The extension is for no more than six (6) months.
- c) The effective date of the commitment remains unchanged.
- d) The commitment may not be extended for a total period of more than two (2) years, or five (5) years in the case of planned project commitments.

2. **Original Charge for Owner’s or Leasehold Policies**

An Owner’s policy of any type, insuring a fee simple estate, will not be issued for less than the full fair market value of all land and improvements, if any, constituting real property. A Leasehold Owner’s policy will not be issued for less than the aggregate of the rentals payable under the lease, in connection with which a policy is requested, or the appraised value of the premises, whichever is less.

The charge for Original Owner’s or Original Leasehold Owner’s policies is as follows:

Liability Amount	Per Thousand
\$0 to \$100,000.....	\$5.00
\$100,001 to \$500,000, add	\$3.60

Over \$500,000, add	\$3.60
Minimum.....	\$200.00

4. **Original Charge for Loan Policies**

Loan policies shall be issued in the amount of the principal debt together with all amounts secured by the mortgage, or such lesser amount as may be attributed to the value of the real property interest securing the repayment of the debt. A loan policy may be issued for an amount up to 25% in excess of the principal debt to cover interest and foreclosure costs.

Loan or mortgage title insurance expires with the payment or satisfaction of the mortgage described in the policy, except when satisfied by foreclosure or other lawful means of acquiring title in settlement of the mortgage debt. A new mortgage given to renew an old mortgage debt which was originally covered by insurance is a new transaction, creating new liability. If insured, the new transaction requires payment of an original title insurance charge for a loan policy of title insurance, unless it falls within the classification of "Refinance Charges for Loan Policies".

The charge for original loan or mortgage policies is as follows:

Liability Amount	Per Thousand
\$0 to \$100,000.....	\$4.00
\$100,001 to \$500,000, add	\$3.05

Stewart is under no obligation to seek or make a determination of the existence of a previous policy.

8. **Second Mortgages**

The charges for title insurance on second loan or mortgage transactions, and any other junior loans or mortgages, will be the same as the charges for Original Loan Policies.

9. **Extension of Mortgage Loan**

When the indebtedness secured by a mortgage on real property, the title to which has previously been insured by Stewart, is renewed by an extension agreement, upon receipt of an approved attorney’s certificate of title, which may be in the form of a letter covering the period from the date of recordation of the mortgage through the date of the recording of the extension agreement, a new title policy or endorsement in connection with the existing policy furnishing coverage up to and including the date of the recording of the extension agreement shall be issued at the following charges:

- a) If issued within one year of the date of the former policy, the minimum charge shall be \$5.00;

12. **Simultaneous Issue Transactions**

a) **Simultaneous Issuance of Owner's and Loan Policies**

When an owner's or leasehold policy and a loan or mortgage policy covering identical land are to be issued simultaneously, the charge shall be at the applicable charge for Original Owner's or Leasehold policies. The charge for the loan or mortgage policy so issued simultaneously will be \$200. If the loan or mortgage amount exceeds the owner's or leasehold policy amount, an original title insurance premium shall be charged on the amount of the loan policy in excess of the owner's or leasehold policy amount.

b) **Simultaneous Issuance of Owner's (Fee) and Leasehold Policies**

When there is a sale and a simultaneous lease-back of the same property with an owner's policy issued by Stewart in connection with the sale, a policy may be issued upon request insuring the leasehold estate for a premium of 30% of the charge for an original owner's or leasehold policy. If the amount of insurance requested is greater for the leasehold policy than that of the owner's policy, the excess shall be computed at the original title insurance premiums for owner's or leasehold policies under the applicable brackets. Minimum charge shall be \$200.

c) **Simultaneous Issuance of Seller's and Purchaser's Policies**

Where there is a sale with an owner's policy issued by Stewart to the purchaser, a policy to the seller may be issued upon request at a charge of 30% of the charge for an original owner's or leasehold policy up to the amount of the policy issued to the purchaser. Minimum charge shall be \$200.

13. **Closing Protection Letters**

A Closing Protection Letter (CPL) is available to the parties of the transaction. CPLs may be issued in a residential real estate transaction if (a) a title policy is issued by a title company or by a title insurance producer on behalf of the company, and (b) the company or title insurance producer also acts as the settlement or closing agent for the transaction. If the conditions are met, the CPL may be issued to the lender, borrower, buyer, and seller of the property. A fee shall be charged to each party receiving the benefit of the CPL. The fees to be charged shall be \$50 for a lender, and \$25 each for a buyer/borrower and seller. The entire amount of the CPL fee, rate, or charge shall be remitted to Underwriter for providing a CPL. In the event of a second mortgage or HELOC by a lender other than the primary lender, an additional fee of \$50 per letter would be charged. A CPL may be issued in a commercial transaction (defined as non 1-4 family transaction) under the same terms, conditions and charges set forth above, at the discretion of Underwriter.

14. **ALTA Residential Limited Coverage Mortgage Modification Policy**

The ALTA Residential Limited Coverage Mortgage Policy may be issued in connection with a modification of a mortgage by an institutional lender covering one-to-four residential real property or condominiums. The charge for the ALTA Residential Limited Coverage Mortgage Modification Policy shall be \$150.00. The rate shall not include any charges for separate services, including abstracting or search services, or recording, that are provided to institutional lenders.

15. **Large Commercial Transactions**

Commercial transactions with policies having an insured liability amount in excess of \$5,000,000 are subject to pricing adjustments, as agreed to by Stewart Title Guaranty Company, both as to premium and endorsements. Factors that will merit adjustment of pricing include risk analysis, complexity, portfolio type, and service or services required to insure the deal in question in the time frame requested.

C. ENDORSEMENTS

1. Endorsements shall be charged at the rates in the accompanying Schedule of Endorsements for Residential transactions and Commercial Transactions, with pricing adjustments allowed on Large Commercial Transactions over \$5,000,000 as agreed to by Stewart Title Company Underwriting. Charges for any special coverages shall be determined by Underwriter and will be reasonable compensation for the work performed and the risk assumed.

I. Secondary Market Short Form Residential Loan Policy One-To-Four Family

The Secondary Market Short Form Residential Loan Policy One-to-Four Family policy is designed to provide limited title insurance that meets the title insurance requirements of the Guides of Fannie Mae and Freddie Mac. The Policy is available for first lien refinance and first lien home equity loans as well as first lien purchase transactions. In the latter case, a full priced owner's policy will be issued where applicable. The Policy does not contain all of the insuring provisions of the regular ALTA Loan Policy and does not contain specific title exceptions as to matters recorded in the public records. The policy does insure the validity and priority of the mortgage and does insure against title matters to the extent required by the Guides of Fannie Mae and Freddie Mac. This form has been approved by Fannie Mae and Freddie Mac, so its coverage will be acceptable to the lending community. The Policy would be issued only for one-to-four family improved residential properties in established subdivisions for mortgages issued to institutional lienholders.

The policy has been specifically designed for Internet originated loans and the pricing and cost structure has been designed for a centrally processed, Internet ordered title insurance product. In order to produce this Policy at a reduced charge, Stewart would issue it (in accordance with any applicable state law) only if the order, applicable legal description or address, and names of parties to loan transaction for issuance were placed and communications were sent electronically through websites or other electronic communications locations explicitly designated by Stewart for placement of the Secondary Market Short Form Residential Loan Policy One-To-Four Family. To the extent allowed by applicable federal and state law, the policies would be delivered electronically to lenders, if such delivery is acceptable to lenders, using the same software platforms used for order.

The charge for the Secondary Market Short Form Residential Loan Policy One-To-Four Family will be based on the charges for the loan transaction as indicated as follows for each range set out below:
