SECTION I

GENERAL RULES AND DEFINITIONS

A. Title Insurance on Commercial Property

This Manual shall only be effective if the property to be insured is “Commercial Property.” As used in this Manual, the term “Commercial Property” shall mean property that is (a) being used for, or is intended to be used for, commercial or industrial purposes, and (b) valued at \$1,000,000 or more. The term “Commercial Property” shall not include detached, 1-4 family residences or residential condominiums.

This Manual shall be applicable in issuing commitments, owner’s policies, loan policies, guarantees, endorsements, certificates and other products and services described herein. Unless otherwise noted, owner’s policies, guarantees and certificates shall be issued in an amount at least equal to the full value of the estate or interest insured, without deduction for encumbrances. Owner’s policies may be issued in an amount greater than the full value of the estate insured to cover anticipated improvements. Loan policies shall generally be issued in an amount equal to the amount of the insured loan.

B. Standard vs. Extended Coverage

Standard Coverage: *Does not* insure against matters described under extended coverage below.

Extended Coverage: *Does* insure against the following matters:

- Rights or claims of parties in possession not shown by the public records;
- Public or private easements, or claims of easements, not shown by the public record;
- Encroachments, overlaps, boundary line disputes, or other matters which would be disclosed by an accurate survey or inspection of the premises;
- Any lien, or right to a lien, for services, labor, or material heretofore or hereafter furnished, imposed by law and not shown by the public records, or liens under the Workmen’s Compensation Act not shown by the public records.

C. Reinsurance

The premium may be increased by the actual cost of any facultative reinsurance that may be required on a specific transaction.

D. Endorsements

The endorsements will be charged at the indicated flat charge or at the indicated percentage, multiply the percentage against the Commercial Rate. If there is a minimum charge associated with an endorsement, if the calculated rate is less than the minimum charge, the minimum shall be charged. If there is a maximum charge associated with an

STEWART TITLE GUARANTY COMPANY

endorsement, if the calculated rate exceeds the maximum charge, the maximum shall be charged.

In a simultaneous issue transaction where the same endorsement form or similar/ equivalent coverage exists with similar underwriting review, i.e. ALTA 9.2-06 and ALTA 9-06, is being issued on multiple policies, only a single charge applied against the policy with the highest liability amount shall be made for the issuance of the endorsement. However, if an additional endorsement that is requested by a policy holder shall be charged as the percentage rate applied against the basic Commercial Rate for the liability amount on the policy for which the endorsement is requested.

Where there is an ALTA endorsement that is the equivalent of a CLTA endorsement the charge for the CLTA endorsement shall refer to the equivalent ALTA endorsement.

STEWART TITLE GUARANTY COMPANY

SECTION II

COMMERCIAL RATE

Standard Coverage Owner's Policies shall be rated in accordance with the following chart.
Standard Coverage Loan Policies shall be rated in accordance with the following chart, less 10%.

Liability of \$1,000,000 = \$2,300

Liability		Premium
From	To	(per \$1,000 of liability)
\$1,000,000	\$5,000,000 add	\$1.35
\$5,000,001	\$10,000,000 add	\$1.00
\$10,000,001	\$100,000,000 add	\$0.55
\$100,000,001	Over, add	\$0.50

All Rates and applicable discounts will be rounded up to the next whole dollar.

To compute any charge on a fractional thousand, consider any fraction of \$1,000 as a full \$1,000 by rounding up to the next higher whole \$1,000. For example, if the policy liability amount is \$1,050,500, round up to \$1,051,000 and then calculate.

STEWART TITLE GUARANTY COMPANY
